WORK EXPERIENCE

GSolutions

Aug. 2022 – Present

Senior Developer

Hawalli, Kuwait

- GSolutions is a Kuwait-based technology company focused on delivering advanced software solutions.
- Developed high-performance web applications using Laravel, React, InertiaJs and TailwindCSS, significantly enhancing scalability and productivity.
- Boosted business outcomes by increasing sales by up to 20% through advanced API integrations, including PayPal, Knet, MyFatoorah, Firebase Cloud Messaging.
- Achieving 3x faster deployment by implementing CI/CD with tools like GitHub Actions, SSH and FTP.
- Refactored legacy websites and optimized SQL queries, achieving a 10x boost in loading speeds while improving user experience, scalability and maintainability.

KDE Technology

Feb. 2021 – Mar. 2023

Full-stack Web Developer | Mar, 2021 – Mar, 2023

(Remote) West Virginia, United States

- KDE Technology specializes in creating custom and secure web applications, emphasizing client satisfaction.
- Crafted secure and feature-rich Laravel applications with intuitive user interfaces and comprehensive data protection measures.
- Collaborated on product design and launch, integrating APIs like Google Vision, Microsoft Face API and Twilio for enhanced functionality.

Front-end Developer | Feb, 2021 – Mar, 2021

- Designed and developed high-performance websites, prioritizing speed and user experience.

Freelancing

Dec. 2020 – Feb. 2021

Full-stack Web & Mobile Application Developer

Kanpur, India

- Developed and deployed full-featured web and mobile applications from scratch using Laravel, React Native, and AWS (EC2), catering to clients based in South Korea and Thailand.
- Integrated APIs including PayPal, Google Maps, Plagate, and Payway to enhance functionality.
